# Cake & Flowers

---

With our elopement packages we provide a small two-tier cake. For our Petite weddings a third tier is added. The two tier is large enough to save the top layer for your anniversary and use the bottom layer to feed 6 – 8 people easily. The three tier is large enough to save the top layer and serve 30 people. A photo of the cake is below, as well as a photo of a red rose bouquet sitting next to the cake.

We also provide a bouquet(s) and/or a boutonniere(s) for the wedding couple. They are a classic hand tied bouquet of roses. Please let us know your top choices for color(s) and if you desire a flower other than a rose. Note that flowers other than roses may incur additional costs.
